

2

→ 642178/173131

★ LARGE, FLAT ROOFED RECTANGULAR BUILDING, ISOLATED AREA, SMALLER ROADS LEADING UP TO, PARCHED GROUND, LUMPY, VIRTUALLY WINDOWLESS, SOLID SIDES ON BUILDING.

→ ACTIVITY INSIDE

★ LARGE BRIGHTLY LIT ROOM, HIGH WALLS, ONE MAN IN THE ROOM, PIECE OF EQUIPMENT LIKE A PRINTER - PUTS OUT MEDICAL TYPE PRINT OUT, NUMBERS/FIGURES, OTHER PIECES OF EQUIPMENT - ONE HAS A NEEDLE ON IT REMINDS ME OF TYPE LINE GRAPH LIKE A POLYGRAPH OR SOMETHING LIKE THAT, PEAKS VALLEYS

→ OTHER EQUIPMENT

★ SOMETHING THAT HAS COLORED LIGHTS ON IT - A RED BUTTON AND ITS FLASHING, SEEMS TO BE PAYING MORE ATTENTION TO THE MACHINE WITH A NEEDLE ON IT, WATCHING THAT CAREFULLY, A HIGH WHINE IN THE BACKGROUND, MORE LIKE AN AIR HORN TYPE NOISE

→ MOVE BACK OUTSIDE DESCRIBE THE AREA

★ REALLY FLAT, HIGH HILLS IN BACKDROP, DRY PARCHED LOOKING, DOESN'T SEEM TO BE NEAR ANY AREAS OF LARGE POPULATION - LIKE YOU COULD GO FOR A LONG TIME BEFORE YOU FINALLY GET HERE, ONE WAY IN AND OUT - ISOLATED

→ PAUSE NOW - RELAX - IT IS NOW 8 MAY 87 -
VISUALIZE A TIME ^{LINE} THIS TIME LINE COVERS 15 APRIL 87 TO 15 MAY 87 - DURING THAT TIME THERE IS A SPECIAL OCCURRENCE. MOVE ALONG THE TIME LINE LOCATE THE OCCURRENCE OF SPECIAL INTEREST - DESCRIBE

3

★ A DEEP RUMBLING SOUND, ALMOST LIKE A FLOATING FEELING - YOU FEEL IT BUT NOT QUITE SURE YOU FEEL IT - A TEARING, WRENCHING SENSATION, A SHIFTING, LIKE THE BUILDING ITSELF IS SORT OF SWAYING - HISSING, ESCAPE OF VAPORS OF SOME KIND, A BRIGHT FLASHING GLOW

→ DESCRIBE YOUR LOCATION

★ LIKE IN THE LOWER DEPTH OF THE STRUCTURE - LIKE I'M UNDERGROUND LEVEL - AN ALL LIKE THE EARTH SHIFTING - A FISSURE OF SOME TYPE - THERE IS A VISCOUS LIQUID - BLACK AND ORANGY RED, ALL HOT LAVA BUT ITS NOT THAT TEXTURE, NOT LUMPY, IT CLOWS -

→ CONTINUE TO DESCRIBE THE OCCURRENCE

★ THE NEXT THING I SENSE IS CRUMBLING, SLABS OF CONCRETE, JUST, LIKE A BIG HAND SHAKING IT TO PIECES

→ LOCATE THE CAUSE OF THIS DESTRUCTION

★ (HEAVY BREATHING)..... NOT NATURAL CAUSES, MAN MADE SMALL, PACKAGE, EXPLOSIVE DEVICE, SEEMS TO BE ATTACHED TO PIPES WITH A LOT OF PRESSURE IN IT - RELEASING THE PRESSURE SETS CHAIN OF EVENTS - NO EMERGENCY MEASURES TO STOP IT - YOU CAN'T GET DOWN THERE TO STOP IT - HEAT IS SO INTENSE -

→ CONTINUE

★ IT IS VERY CAREFULLY SEALED TO APPEAR AS FAULT IN CONSTRUCTION - NO EVIDENCE OF SABOTAGE INVOLVED FEELING THAT WASN'T DONE TO -- FUNNY FEELING LIKE NOT DIRECTED AGAINST SOMEONE - DIRECTED BY THE PEOPLE IT DOESN'T MAKE SENSE

4

→ IT DOESN'T HAVE TO MAKE SENSE - DESCRIBE THE OCCURRENCE

★ SLOW RUMBUNG, INTENSIFIES TO A SHAKING - A FEELING OF HEAT, MELTING HEAT, PRESSURE LIKE IN AN AIRPLANE LIKE WHEN YOU FEEL YOUR EARS ARE GOING TO POP - LIKE THE WHOLE THING SPLITS OPEN - CRUMBLES

→ PERCEIVE NOW THE ENTIRE AREA - DESCRIBE THE ACTIVITY DURING THIS OCCURRENCE

★ (PLANE OVERHEAD) THE PLANE PULLED ME AWAY - GIVE ME A MINUTE I DON'T SEE ANY EVIDENCE OF PEOPLE - YES I DO, I SEE EQUIPMENT BEING DISPATCHED - NO ONE IS COMING FROM BUILDING - PEOPLE DRESSED IN SILVERY COLORED SUITS - I DON'T KNOW HOW TO DEAL WITH IT - IT'S JUST SO TOTAL

→ CAUSED BY THE PEOPLE NOT AGAINST THE PEOPLE - DESCRIBE

★ ITS NOT A - ITS HARD TO PHRASE IT WITHOUT BEING ALLEGORICAL - IT WAS WELL THOUGHT OUT, PLANNED, MAXIMUM AMOUNT OF DAMAGE TO POINT OF DISABLING, BUT LOW COST IN HUMAN LIFE FACTOR - GEARED TO A TIME WHEN FEW PEOPLE PRESENT - ALMOST LIKE A PROTEST - ~~THE~~ INTERNAL TYPE DISSENTION - SIMILAR TO ANTI-WAR ACTIVIST - THAT TYPE OF PLOTTING - LIKE A MESSAGE

- CONTINUED -

- PAUSE NOW - - END SESSION -

1

Site is a large windowless flat-roofed building of concrete construction. Location is isolated, flat, cracked dry land with tall hills as a back drop. There only seems to be one small dirt road leading to the building. The building is quite large but not much over 1 tall. ~~There is~~ possible 2. A large portion of the building is below ground.

There is one large room present with one male person monitoring equipment. One piece is like a printer (with manifold paper) (numbers rather than letters). Another is like a (AOL) synograph, polygraph - needle pointing a line with peaks & valleys. A third piece of equipment has small colored lights (round) and a rectangular button that is flashing red. At this point the man begins paying particular attention to the "flashing" activity of the needle & equipment.

There is the sound of a low deep rumbling from the depths of the building, a quivering whine and then a loud "bzzzzzzzzzz" horn blowing sound. There is also an almost imperceptible shivering, feeling like a gentle pressure that intensifies to a true jarring phantom. Large plates of concrete are breaking apart and falling and there is a jagged splinter in the roof.

A small compact explosive device (magnetic) has been attached to a high pressure pipe that caused the pipe to release its pressure. The pressure continues to build and eventually ~~causes~~ causes a chain reaction of destruction. ~~causes~~ causes a chain reaction of destruction. ~~causes~~ causes a chain reaction of destruction.

There doesn't seem to be anyone else in the structure.

Others dressed in silvery suits (Alu-like space suits) rush with trailing equipment from another building and then decide that there's nothing to be done. Not far moving and too fatal.

There is a strong perception of internal sabotage rather than outside attack.

* During the time I was experiencing the frustration of the group in the silver suits, there was an odd sound that I had a difficult time with. Was it outside our building or part of the site? It sounded like a crowd of voices all mixed together or wind whipping around a building. Consciously decided it was a group of men calling out. They could be outside our building but could not verify with monitor.
